ENVIRONMENTAL BOARD

Junior Ranger programme

Kaja Lotman

Environmental Board

Estonia

Targets

- Strengthen the network of local youngsters in PA-s;
- Involve them to practical nature and cultural heritage protection activities
- Involve local communities through youngsters to NP activities
- Raise awareness on Natura 2000, biodiversity

Activities of the programme

- 3-5 days summer course, 20 participants
- 2-day seminar in autumn and in spring
- Participation in EUROPARC Federation JR international camp
- https://www.scribblemaps.com/maps/view/Junior_Ranger_Programmes_in_Europe/VBq63utpCJ

Additional voluntary activities

- Helping in monitoring in PAS-s (species or visitors)
- Helping organize enviromental events - nature evenings, working days, etc;
- Research work on Natura 2000 topics:

These are the decision makers in future!

Cooperation between Finland and Baltic States

2017 additional meeting in Estonia for Junior Rangers in Finland, Estonia, Latvia and Lithuania

This is fun!
