

A photograph of two young boys in a forest. The boy on the left is wearing a dark blue jacket with a bright green backpack and is holding a pine branch. The boy on the right is wearing a green and yellow jacket over a blue and grey hoodie and is also holding a pine branch. They are both looking down at the branches. In the background, another person is visible, slightly out of focus. The text 'Flemish network nature and health' is overlaid in white. A green geometric pattern is on the right side of the image.

Research project: Effect of nature on burn out prevention

Greening schools

A photograph of a person walking barefoot on a rocky stream bed. The person is wearing a blue floral shirt and blue shorts. They are stepping on a large, wet, reddish-brown rock. Water is flowing over the rocks, creating a small waterfall effect. Another person's leg and foot are visible in the background, also walking barefoot on the rocks. The scene is outdoors, surrounded by greenery and rocks.
