

An aerial photograph of a vast, dense forest of coniferous trees, likely spruce or fir, stretching across rolling hills. The sun is low on the horizon, creating a warm, golden glow over the landscape. The sky transitions from a pale yellow near the horizon to a clear blue at the top. The forest floor is a mix of green and brown, suggesting a mix of tree species and possibly some deadwood. The overall scene is peaceful and natural.

# NATURE TO ACTION 2018-2020

Hannele Kytö

## THE AIM

## THE TARGET GROUP

**WHY?**

**HOW?**

## **NATURE CONSERVATION WORK**

## NATURE AS AN OFFICE

*Lapa* SAMMALTAA

## CONCLUSION

Working together for the better future gives great results

Taking part and being part of something is important for everyone

Rehabilitation and protecting nature can be combined

Nature can be used as an office

*"TAKE THE REHABILITATION  
CLIENT TO THE NATURE. IT IS  
ALWAYS WORTH IT.*

*BUT DON'T FORGET THE  
PACKED LUNCH."*
