...

Om de kaardebollen heen maaien in het [@maximaparknl](#), daar worden de #wildebij030, vlinders en dit najaar de puttertjes heel blij van!  
#bloemrijk030

Leave 15-30% of flowering meadows unmown

Fuller's teasel

# Bee-friendly maintenance

Mow the lawns less frequent – dandelion heaven

# Bee-friendly maintenance

## Dead wood

# Bee-friendly future

Trees on balconies and on the rooftop.

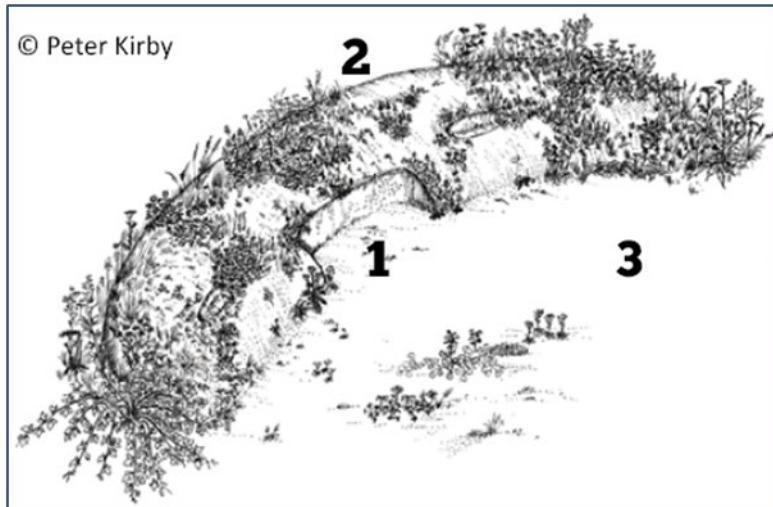

Nestboxes on every side of the building.
