On July 14 of 2016, was signed a protocol between the Municipalities of Sintra, Oeiras and Amadora and Parques de Sintra for the creation of the Green and Blue Corridor.

The Green and Blue Corridor establishes an integrated intervention strategy that restores the National Palace of Queluz to its capacity as a territorial hub.

A. Renaturalization of the Jamor River

B. Rehabilitation of the area surrounding the Queluz National Palace

C. Constitution of a forest park
