

Thinking Big

HOW CAN CLIMATE CHANGE CREATE NEW
OPPORTUNITIES FOR NATURE CONSERVATION AND
RESTORATION IN EUROPE?

Thinking Big

JAMES STUART, CONVENER LOCH LOMOND AND THE
TROSSACHS NATIONAL PARK , SCOTLAND

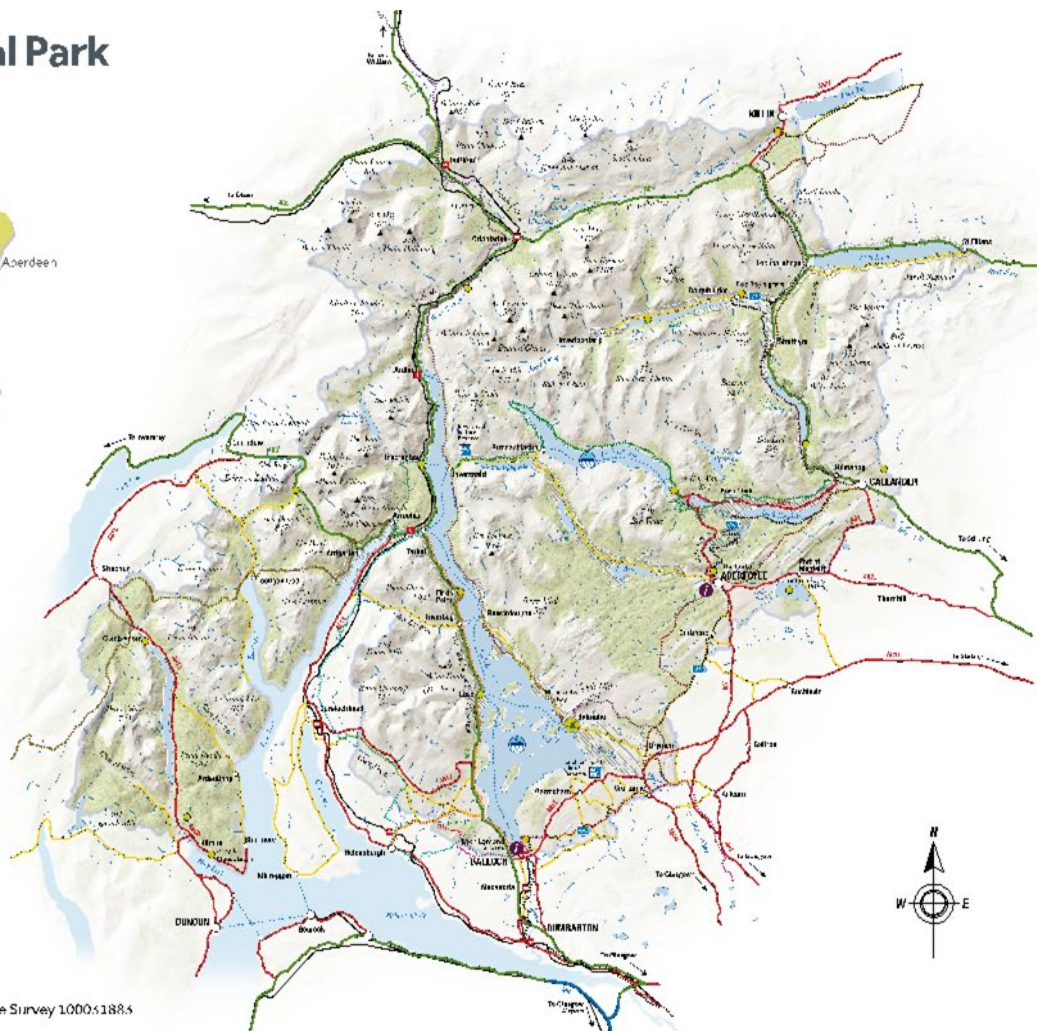

Scotland's **first** National Park

Challenges

Challenges

Challenges

Big, but not **big** enough

Superpowers and Scale

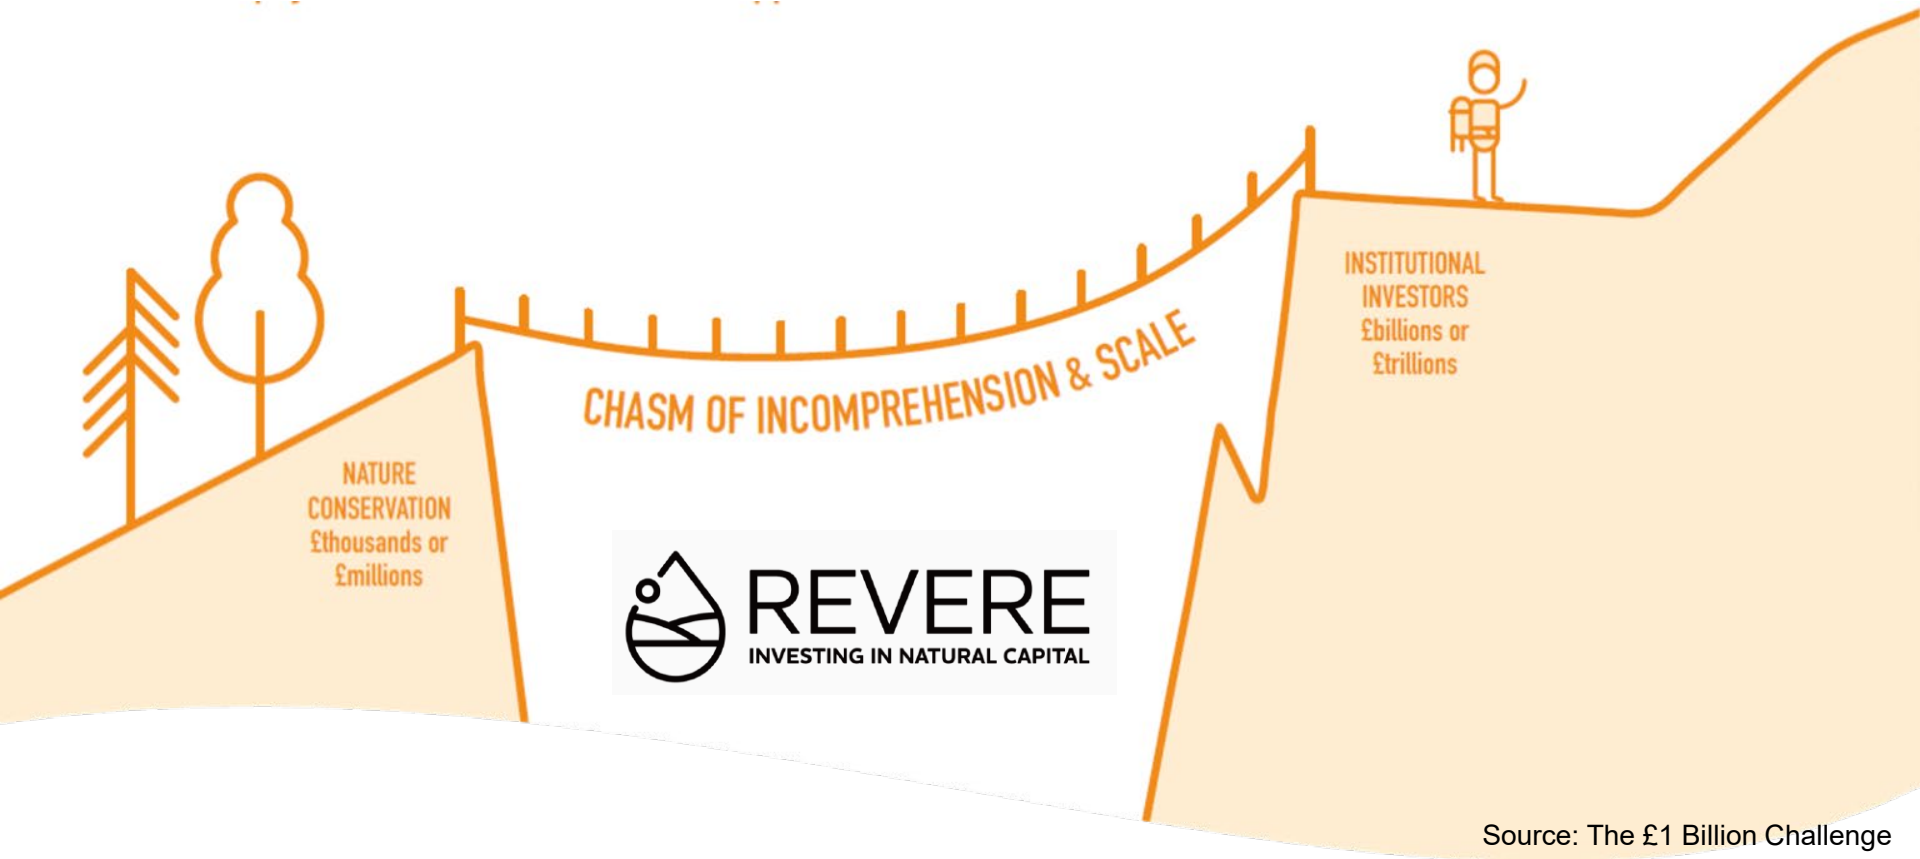

Be the National in National Park

A global family and a Joint Statement

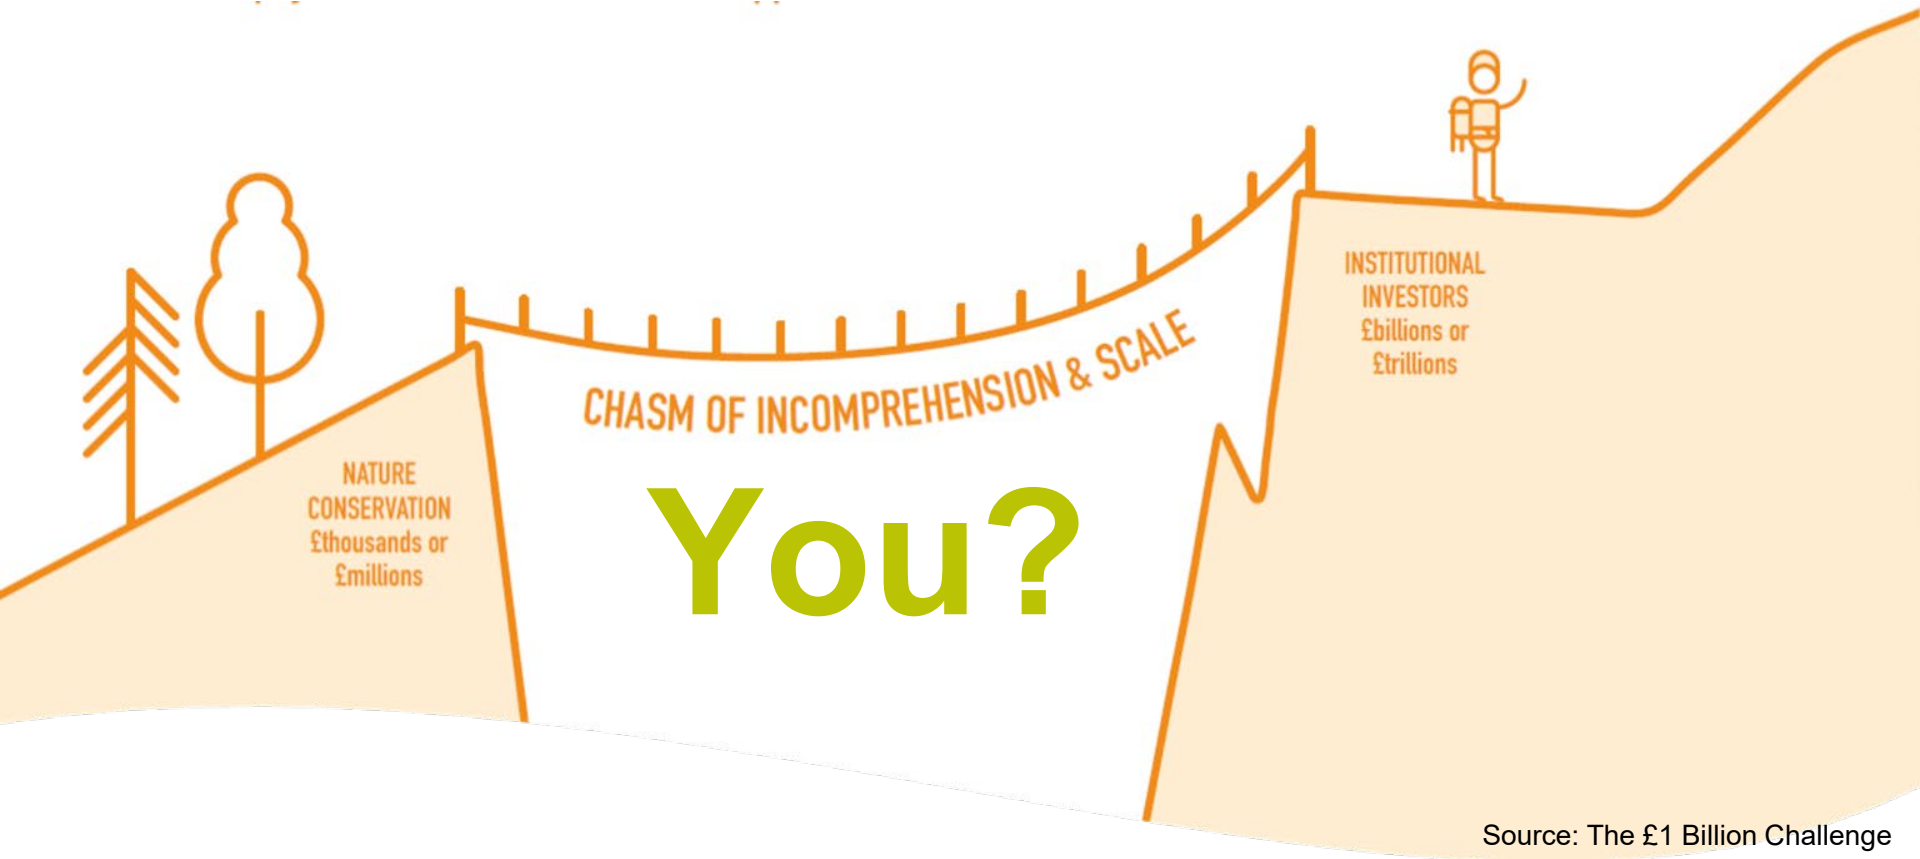

Lots of money but there is a chasm... and are we investable?

Source: The £1 Billion Challenge

Are you investable?

Thank you
