

Living Dark Landscapes

- supporting «night life» in holistic ways with parks

Kristian Bjørnstad

Director

Norske Parker

Chair

Europe's Nature Regional Landscape Parks Task Force

Europarc Federation

Satellites

ASTRO - COLONIALISM

Telescopes

Light pollution

Inspiration and learning

- Interpretation and storytelling
- Connect with sustainability issues

Ecological (health) returns

- Protect «nocturnal nature»
- Deeper sleep and stress reduction

HOLISTIC DARK SKY DEVELOPMENT - WITH PARKS

Financial returns

- Astro-tourism
- Place branding

Social returns

- Cooperation and (park) partnership.
- Events and parties

More than 900 Nature Regional Landscape (NRL) Parks

Europe's Nature Regional Landscape Parks (NRL) Task Force (Europarc)

National NRL Parks networks: Germany, Austria, France, Norway, Belgium, England, Switzerland, Lithuania and Luxembourg

Are you a national/federal manager or coordinator of NRL Parks! Contact us through Europarc!

«A human being is a part of the whole, called by us «Universe,» a part limited in time and space.

He experiences himself as something separate from the rest»

Albert Einstein
