Buzzword Salad
This kind of writing is easy to recognize. It's full of fashionable buzzwords. Because buzzwords sound impressive and convey no precise meaning, they are very useful in business management, politics...

Combine as many of these words as you like to create meaningless sentences or phrases. 😊
Existing is being unique. Existence, reality, essence, cause, or truth is uniqueness. The geometric point in the centre of the sphere is nature’s symbol of the immeasurable uniqueness within its measurable effect. A centre is always unique; otherwise it would not be a centre. Because uniqueness is reality, or that which makes a thing what it is, everything that is real is based on a centralization.
Reports that say that something hasn't happened are always interesting to me, because as we know, there are known knowns; there are things we know we know. We also know there are known unknowns; that is to say we know there are some things we do not know. But there are also unknown unknowns -- the ones we don't know we don't know. And if one looks throughout the history of our country and other free countries, it is the latter category that tend to be the difficult ones.

Before

This is a multipurpose passenger vehicle which will handle and manoeuvres differently from an ordinary passenger car, in driving conditions which may occur on streets and highways and off road. As with other vehicles of this type, if you make sharp turns or abrupt manoeuvres, the vehicle may roll over or may go out of control and crash. You should read driving guidelines and instructions in the Owner's Manual, and WEAR YOUR SEAT BELTS AT ALL TIMES.
