Recommendations - To seek a change in statutes

EUROPARC Federation

Report to Council

Statute change - Sitz

Preamble

The office move to Regensburg has taken place ,Grafenau remains the Sitz of the association. WE have retained the bank account and postal address in Grafenau.

Legal advice indicates although there is no immediate need to change the seat its should take place. This require the association to remove its registration from the Passau jurisdiction and register in Regensburg

This also would require agreement for a statute change .

Currently the seat is governed by Article 2 of the statutes

Article 2 Seat, Legal Status and Official Languages

a) The organisation is called “Federation of Nature and National Parks of Europe (EUROPARC Federation)”. It is a non Profit Organisation, registered in the German Register of Associations; the name will be followed by the letters “e.V.” (registered association).

b) **The Seat of the association is in Grafenau (Germany).**

Recommendation

Directorate is recommending a statute change at the general assembly in September to state. As there will be an election during the general assembly 2011, it may be more efficient to deal with any outstanding statute changes this year.

The change would then read.

Article 2

b) The seat of the association is Regensburg(Germany)
