EUROPEAN NETWORK OF OUTDOOR SPORTS
ENOS network
ENOS - history

• 2009

• 2010
  Five national Meetings in France + international Meetings e.g. IMOSC 2010

• 2011

• 2013

• 2015

• 2017
THE 10 COMMITMENTS FOR OUTDOOR SPORTS IN EUROPE

1. Outdoor sports for all
Provide equal opportunities for participation in outdoor sports to all, regardless of age, gender, social background or physical ability.

2. Physical and mental health
Promote the physical and mental health benefits of outdoor sports and provide accessible opportunities for everyone to participate.

3. Environmental awareness and conservation
Encourage the development of sustainable practices and the protection of natural environments in outdoor sports.

4. Safety of participants
Ensure the safety and well-being of all participants in outdoor sports, including clear guidelines and risk management strategies.

5. Local economy and society
Support the local economy and society by promoting local businesses and creating jobs related to outdoor sports.

6. Innovation and social inclusion
Encourage innovation and actively seek to promote social inclusion in outdoor sports.

7. Recreation and social activities
Foster a culture of recreation and social activities within outdoor sports, promoting healthy lifestyles for all.

8. Professional mobility in the European Union
Facilitate the free movement of outdoor sports professionals within the European Union.

9. Professional mobility in the wider world
Promote professional mobility in the context of outdoor sports, encouraging cultural exchange and international collaboration.

10. Education of volunteers
Improve the education and training of volunteers to enhance the quality of services and promote safety in outdoor sports.
