

## Workshop 6 The Laws of Nature

*15 participants from 14 countries*

### 1. Main successes and Challenges raised by the participants during the workshop

- The European Commission is often the last resort to protect nature in European Countries. Need for more “soft” interventions of the European Commission (communications)

### 2. What new voices, new visions are needed to be brought in and heard on this topic?

- The message is for everyone – don’t wait for some trigger - you can be the trigger.

### 3. How can EUROPARC enable this “new voices” to be included?

To prepare in cooperation with others training programmes for Protected Area professionals.
