Regarding the allowance to use pictures

ECST Protected area name hereby states that the pictures shared with the EUROPARC Federation can be used freely by EUROPARC now and in the future in the following:

I authorise the use of the pictures for online use (website), social media and printed publications for other EUROPARC Federation communication purposes.

Furthermore, by signing this form, you state that there are no copyright issues associated with the material provided.

Please make sure to provide the EUROPARC Federation with the proper credits for the material you provide. Ideally, the pictures and/or videos would be labelled: **Name of the object pictured_Organisation Name_Author.**

The EUROPARC Federation commits to properly crediting the pictures associated with your organisation and will not sell them to third parties.

Thank you for supporting our work.
